Please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Your name and address (or telephone number);
- (2) The error or problem with the transfer, and why you believe it is an error or problem;
- (3) The name of the person receiving the funds, and if you know it, his or her telephone number or address; and

- (5) The confirmation code or number of the transaction.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

You have the right to cancel a remittance transfer and obtain a refund of all funds paid to us, including any fees. In order to cancel, you must contact us at the phone number or email above within 30 minutes of payment for the transfer.

When you contact us, you must provide us with information to help us identify the transfer you wish to cancel, including the amount and location where the funds were sent. We will refund your money within three business days of your request to cancel a transfer as long as the funds have not already been picked up or deposited into a recipient's account.
