MY MOUTH IS A VOLCANO

by **Julia Cook**

AR BL: 3.8

Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk.

DID YOU KNOW?

MARDI GRAS FACTS

Historians believe Mardi Gras
arrived in North America in 1699
and then spread to New Orleans
in 1718.

"Laissez les bon temps rouler" is
the official greeting of Mardi
Gras. In French, this means "Let
the Good Times Roll!"

Each parade is run by a different
"Krewe." Monroe and West
Monroe have two Mardi Gras
Krewes, the Krewe of Janus,
started in 1984, and the Krewe de
Riviere, which just began last year
in 2020! Ruston has a Krewe as
well, the Krewe of Allegro.

Each Krewe creates a different
parade theme each year. Each
float is decorated to fit into one
central theme.

Why Beads? Legend has it in the
1880s, a man dressed like Santa
Claus received such fame
throwing beads, that other krewes
followed suit.
