BACK TO SCHOOL

It's that time again for sports, games, practice, eating out and hanging with friends.

Know your allowance; wants vs. needs. 🍷 🍕

DYK?!?

Upload your Debit Card to your mobile wallet* so, your card goes with you wherever you go! Kind of like a tap card, but cooler.

Needs are things you must have to live and be healthy. They are essential for your survival and well-being.

Wants are things you would like to have but don't need to survive. They make life more fun or comfortable but aren't essential.

Parents never have cash!!

Kickstart: the card that puts you in charge!

STILL ON THE FENCE ABOUT GETTING A KICKSTART DEBIT CARD?

Instant issue debit cards put \$\$\$ at your fingertips! What are you waiting for?**

Scan here for all links and details from the newsletter!
